Our Curriculum Programmes of Study

As a large Sixth Form, Balby Carr is able to offer a wide range of academic A levels and an increasing number of Level 3 BTEC courses. We use GCSE/Level 2 results to guide students to the pathway that will give them the best chance of success and progression. In exceptional circumstances, students will be considered should they not meet the required grades.

GCSE Results	Curriculum Programme Year 12	Additional Subjects	Non Qualification Hours
6+A*-C grades in Academic GCSE's including English Language and Maths GCSE	4 A2 Level subjects (entry requirements will apply)		will qualify
6+A*-C grades in Academic GCSE's including English Language or Maths GCSE	3/4 A2 Level subjects (some restrictions will apply)	English or Maths Resit	will qualify
6+ A*-C grades in GCSE's or equivalent subjects including English and Maths GCSE	Combination of A2 & Level 3 BTECs (some restrictions will apply)		will qualify
6+ A*-C grades in GCSE's or equivalent subjects including English or Maths GCSE	3 Level 3 BTEC equivalents (some restrictions will apply)	English or Maths Resit	will qualify
4 A*-C grades in GCSE's or equivalent subjects without English and Maths GCSE	Level 2 BTEC	English and Maths Resit	will qualify

It is important that all students refer to their projected grades in Year 11, to ensure that they are making choices relevant to expected attainment. However, The grades required for courses are **ACTUAL** grades, not projected so it is important to note that student offers will be **Conditional** depending upon results in summer 2016.

Please note: for the purpose of counting Level 2 qualifications each subject counts as one result only eg. a Pass/Merit/Distinction in a BTEC level 2 subject counts as **one Grade C equivalent**. Many subjects have individual entry requirements in addition to those shown above, these can be found on the following pages.

Non qualification hours are additional hours you will carry out which develop your employability skills. We aim to run all courses offered but this may not be possible if demand is low. Option blocks will be created and published following student interviews in order to cater for as many individual choices of subject combinations as possible.

Education

Name and address of secondary school attended

Head of Year

School telephone number (if known)

Qualifications

Subject	Type of qualification	Level	Predicted result	Actual result (if available)
<i>Business Studies</i>	<i>GCSE</i>	<i>2</i>	<i>B</i>
