

January 2015

Dear Parents and Carers,

Our main aim at Balby Carr Community Academy is to support students and ensure they achieve or exceed their target levels. We continue to work hard to develop exciting and innovative ways of helping students to reach their personal goals.

I would like to invite you to a **parents' consultation evening on Thursday 22<sup>nd</sup> January from 4.00pm** in the Main Hall. You will be able to speak directly to your child's teachers about progress in their subjects. Your child will have an appointment card on which they will record convenient appointments for you with their subject teachers.

This opportunity will allow you to gain a real insight into your child's current academic attainment in their subjects and raise your awareness of the support available in enabling your child to further improve their academic grades.

Y10 is an important year for students as it is their first step to achieving their GCSEs. The work they are doing now in lessons will be examined in May/June 2016 so it is vitally important that they have made good start to Y10. This consultation evening will allow you and your child to understand how well they are doing and what they need to do in order to move forward successfully in the subjects that they are studying.

Throughout the evening Mr McClune, Mr Malin and myself will be available to speak to parents and students about any concerns that they may have.

If you have any queries or comments about any information in this letter, please contact us by e-mail or by our usual telephone number 0845 345 1629.

May I thank you for your continued support of Balby Carr Community Academy and I trust that you will continue to support us in our encouragement of your child. I will look forward to seeing you.

Yours sincerely,

Elizabeth Cutting  
Key Stage 4 manager
