Accessibility Training Event

Some members supported these events at Cusworth Hall and the Museum to see how different disabilities affect people's lives. They tried on different glasses on and walked around the museum to see how they could manage being blind or visually impaired, watch short videos and talked about their experience.

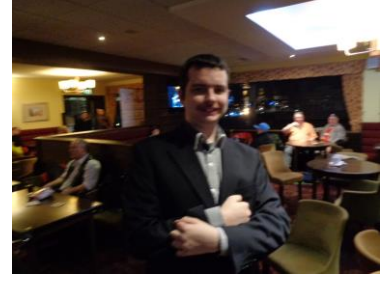

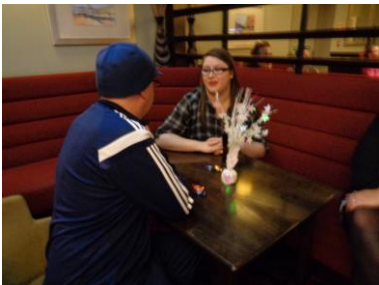

The Drama Days at the Park Social Sports Bar are great fun. Talk to Nathan or Colin about our next Drama Day if you are interested 😊

DICE Members had fun at the first Games Day at Murphy's Bar. There are more planned for the future so talk to the team if you are interested?

Here are a few photos from Singles' Night we did with the PFG group which included Speed Dating.

2 T-Shirts, 1 Night

I have got two T-Shirts from DICE. One is my runners-up design that says "Everyone Loves Joe Swanson" (See Left) and my DICE Journalist T-Shirt. (See Right)

What a Thursday!! I can't wait to wear one of them on Monday and Thursday Nights!! 😊

Well done to Charmaine who won the T shirt Design competition sponsored by Fresh Prints.
