BECOME A FRIEND OF THE PARTIALLY SIGHTED SOCIETY

As a Charity (No. 254052) The Partially Sighted Society receives no statutory funding and presently depends entirely on public donations.

Becoming a Friend of the PSS for just £20.00 per year can help us to continue providing help and support to anybody with a visual impairment.

Your £20.00 Friends Scheme fee includes:

- ♣ Two editions of our magazine, Oculus, annually
- ♣ Free attendance at our monthly Support Group
- ♣ An invitation to our Friends Day
- ♣ Information about new products and events at PSS
- ♣ The knowledge that you are helping us to continue the services we provide

If you would like to become a Friend of PSS call

01302 965195 now and if you are an existing Friend (previously member), please do not forget to renew annually, we really do appreciate your continued support.

CORPORATE FRIENDS

If you, or one of your family members, have their own company, we are also looking for Corporate Friends. There are lots of ways Companies and Organisations can support The Partially Sighted Society but our Corporate Friends scheme at just £80.00 per year is an inexpensive way of showing support to a small charity and helping us to continue our vital work, whilst not breaking the bank. Email michaela@partsight.org.uk or call 01302 965195 for further details.
