

# Tools of the Trade

The following are what we say are 'tools of the trade'. We would like all students to make sure that they have the following.

The Basics are essential 'tools of the trade' that every student must have with them within the classroom to assist them with their learning.

## **BASICS:**

Pencil case

Pencil

Pencil sharpener

Rubber

Pen, blue and black (two in case one runs out)

Ruler

Scientific calculator

It would also be beneficial that every student has the following extended 'tools of the trade'.

## **EXTENDED EQUIPMENT:**

Coloured pencils

Highlighters

Spanish/French dictionary, depending on what you are studying

Protractor
