

April 2018

Dear Parent/Guardian,

Headteacher: Tom Ashley

I am writing to invite you to the opening of our new Y7 Educational Learning Facility which has been extensively refurbished and includes state of the art Promethean Interactive Whiteboards and a range of social/intervention areas. The purpose of the move is to improve your child's academic ability 'to be the best they can be' as well as ensure all Y7 students have the best experience at Balby Carr Community Academy through a range of enrichment activities and bespoke interventions.

Your child will move into the block on Monday 23<sup>rd</sup> April and there will be an extra special start to the day as they will be expected to arrive at the later time of 9:25am.

We have special guests who will officially open the building and we are expecting the local media to be present too. It is a very exciting time for all of us!

There will be two time slots available for you to choose from:

- 3:00 pm – 4:00 pm
- 4:00 pm – 5:00 pm

On the evening we will be supporting our school charity 'Cancer Research' and there will be a selection of items available for you to purchase and help us raise money to reach our target of £500. Also, refreshments will be made available for you.

We would love you to visit our new facilities and see what Balby Carr Community Academy has to offer our current Y7 students and our prospective Y6 students. Please can you complete the reply slip below to indicate which session you wish to attend.

Yours sincerely

*K. Carr*
