Dear Parent/Guardian,

I am sure I do not need to underline the importance of the next few months in the final stages of their 11-16 education. The demand of the reformed GCSE's mean that we need to prepare all students properly for their final GCSE exams. As a school we want to work with you and your son/daughter to ensure they get the best possible GCSE profile to increase their life chances after year 11. It is after all is a very competitive job market. I as Headteacher want to give then the best possible chance of success.

As part of our continued drive to raise standards at Balby Carr I am taking the decision to formally extend the day for all year 11 students to include a period six lesson. This is my decision legally as an academy Headteacher. This will allow us to prepare for the exams and ensure your son//daughter gets the best possible results.

I hope that I can count on your support in ensuring that your son/daughter attends all sessions. Should you have any queries please do not hesitate to contact me at the school.

Yours sincerely

Mr T Ashley
